

PanEur1970s FIRST RESEARCH WORKSHOP

17 March 2017

Sala dei Levrieri, Villa Salviati, European University Institute, Florence, Italy

Organiser: Prof. Federico Romero

The workshop is intended to allow each PanEur1970s team member to present their individual research project to fellow team members and invited EUI colleagues. The latter will give each PanEur1970s scholar some feedback on their project and advice on how to implement it. The workshop will open with a paper by Franek Tyszka on the debt crisis of the socialist countries in the 1970s and 1980s.
